

Introduction to

McLAUGHLIN INVESTMENTS, INC.

McLaughlin Investments, Inc. was founded in 1985 to provide value added commercial real estate services to private and corporate clients located within eastern Massachusetts and southern New Hampshire.

We provide clients pro-active commercial real estate services rather than reactive. And because of this approach clients can take advantage of shifts in the real estate cycles and trends.

McLaughlin Investments utilizes years of local based real estate knowledge, experience, contacts, sound analytic techniques and provided aggressive marketing programs which allow clients to maximize opportunities and solve real estate problems.

Services offered include brokerage, counseling, development, finance, valuation and property management with primary emphasis on investments sales.

McLaughlin Investments successful track record is very impressive. We have marketed and managed more than two million square feet of commercial property located within eastern Massachusetts and southern New Hampshire. Including investment sales transactions totaling in excess of \$100,000,000.

The “Bottom Line” is McLaughlin Investments assists clients in generating greater returns on their real estate investment and minimizes market risk.
